

Dear IDO members,

After receiving positive feedback, it is with great excitement to announce that IDO Egypt will also consider offering an Open World **Cup** for all Performing Arts genres concurrently with the IDO World Ballet & Jazz Championships and the IDO World Modern/Contemporary Championship in 2022.

After two years of limited competitions, this will be a most welcomed event for dancers worldwide.

What this Open World Cup event will offer:

- World competition in all genres in the Performing Arts

- Unlimited open entries from each country

- Your Ballet, Jazz and Modern/Contemporary dancers attending the World Championships will have another event to enter and showcase their solos, duets, and groups

- All Inclusive resort at a very reasonable price

- Free ground transportation to and from airport

- Tropical location – which is also great for family holidays

- A chance to unite the dance world again in a fun, positive and relaxed atmosphere!

Planning is the key to every successful event. However, we can only be successful with your support.

What we need from you:

- Please forward this email and flyer to all your members

- Please post on your website and social media platforms

- Please have your members respond back to you if this is of interest to them (*this is important to get an idea on interest to ensure adequate rooms are available*)

- Each NMO is to respond back by June 1 with your feedback from your members.

Example:

Country – Slovenia

Possibly 100 dancers interested

You will not be held accountable to your estimated participation as we know we live in a changing world. But we really need your help and support to get our dancers back on the World Stage and uniting **all** our dancers once again!
